## School Registration & Tuition Form 2011-2012

Herzl-Ner Tamid and its Frankel Religious School provide inspiring Jewish learning opportunities for our children and families. The subsidized tuition covers only about 2/3 of the true expenses of your child's Jewish education. We encourage you to pay at the full level if you are able. However, the subsidized tuition is offered as an option for all families.

Herzl-Ner Tamid is committed to providing meaningful Jewish education for all of our children. We provide a simple and straightforward procedure for tuition mitigation. If you are requesting tuition mitigation due to financial hardship, please fill out this form together with the tuition mitigation form has been included in case it is needed.

Copies of the form are also available in the HNT office. You will be notified when mitigation is granted.

**To encourage you to submit your forms in a timely manner, the \$50 Registration Fee per family will be waived for all forms submitted by June 30, 2011. All forms submitted after June 30 must be accompanied by a \$50 Registration Fee.**
